Dear Roxanne,

Re: Support for the International Student Identity Card (ISIC)

I am writing on behalf of the Canadian Association of University Teachers to endorse the International Student Identity Card (ISIC). We recognize and support the initiatives and efforts of the ISIC Association, since 1953, to provide students worldwide with an official internationally recognised and accepted student identification card. This officially recognised ISIC allows the cardholder access to specially negotiated benefits in any and all areas of student life, the objective being to facilitate and ease students during their student life.

Yours sincerely,
